Your application will be reviewed and we will contact you to discuss any further questions and what you might be looking for in a puppy. If it's determined that you are a good fit for our litter we will work with the above information to help you in selecting the right puppy.

Our puppy price is \$2000-3000 depending on color. A \$500 non-refundable deposit is required to reserve a puppy. The remaining balance is due when your puppy is 7 weeks of age. Pick up is at 8 weeks. We accept payment through personal check, Venmo or cash. Receipt of a signed application and deposit constitutes an agreement to the terms of this document.

Your puppy will receive its first shots and will be dewormed at 4, 6, and 8 weeks of age prior to pick up. Your puppy will come with a 10 day health guarantee in which you are required to have your vet give a puppy exam within 10 days of acquiring your puppy. In the unexpected event of illness, documented proof from your veterinarian must show that the illness resulted during our care. We take great pride in the quality of our puppies. We work hard to socialize with the puppies throughout each day and provide them with varied experiences. We look forward to working alongside you to find the right puppy for you.
